- ※1 Entries consisting solely of numbers indicate that wired microphones are available and specify the number of wired microphones a Blank entries indicate that wired microphones and cables can be borrowed from the ICT Faculty Support Desk; however, if marked with a blank space, they can be borrowed from the ICT Faculty Support Desk.
- ※2 3.5 mm jack available only on specific microphone models – supports mono mix input.
- ※3 Facilities marked with a blank space can be used by borrowing a portable document camera from the ICT Faculty Support Desk.
- ※4 The USB-C port supports PD power delivery (up to 60 W).
- ※5 If the [USB Audio Output] and [USB Video Output] columns are combined, both video and audio are converted and output via USB. However, if multiple USB standards are listed together in a combined column, those marked with an asterisk (*) output audio only.
- ※6 **[O]** Supports two-way conversation with remote participants.
- ※7 [n/m] Number of HDMI / USB-C units installed.
Facilities marked with a blank space can be used by borrowing a PressIT [main unit + sub-unit] set from the ICT Faculty Support Desk.
- ※8 [W/F]+number = Use the nearby information outlet if no LAN port is available on the AV system (W=wall, F=floor).
- ※9 [O] No problem for general class use.
[△] Connection may be unstable depending on the number of users due to the size of the facility.
