

Student questionnaire for class improvements of 2010 Language Courses

«This notice is sent by the Sophia University FD(Faculty Development) Committee.»

The FD Committee will carry out the “Student questionnaire for class improvements” regarding the language courses of the current academic year.

【Purpose of inquiry】

This questionnaire is intended to help the instructors improve the classes of language courses by learning how far the students have attained their goals and how they feel about the way the instructors teach and manage the classes. It is meant to be one of the university’s essential activities for improving the quality of our education.

We need your support to make the classes better.

【Courses to be covered】

All language courses including those offered year-long and those offered during the Autumn Semester.

【Inquiry Period】 Friday, January 7 to Thursday, February 3, 2011 * accessible 24 hours a day

【Please note】

This is an anonymous questionnaire. You will not be identified by the course instructor and so your replies will not affect your grade.

【How to reply the questionnaire】

You may use either PC or mobile to answer the questionnaire.
